Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Spokane County West Plains I-90 Interchange project in surface transportation reauthorization legislation.

The project sponsor for this project is Spokane County and the project is located at 1116 W Broadway Avenue, Spokane, WA 99260.

The funding is designated for the construction of a new interchange on I-90 between two existing interchanges, the Medical Lake Road/SR 902 interchange and the Grove Road interchange and serve the heart of the West Plains Public Development Authority (known as S3R3), Industrial Park, and Spokane International Business Park.

The project is an appropriate use of taxpayer dollars and is anticipated to be beneficial as S3R3 is a partnership between Spokane County, Spokane International Airport and the City of Spokane created for the purpose of promoting economic development and investment on the West Plains and around the airport to create jobs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers  
Member of Congress
